**Anthony Peake/Domain Shield Pty Ltd/Australia News Pty Ltd
Decision**

For the reasons that follow the Panel:

- a) finds that the Registrant has not made an application pursuant to rule 4.1 of the *Registrant Review Panel Rules* (the Rules) and hence the Panel lacks jurisdiction (kompetenz-kompetenz);
- b) if the Panel is wrong in relation to paragraph (a) above and the Registrant has made an application pursuant to 4.1 the Panel hereby affirms the Reviewable Decision in respect of auDA Complaint 1737 and directs the registrar of record forthwith to place the Disputed Domain Name into policy delete.

The above summary of the Registrant Review Panel's decision is to be published on auDA's website in accordance with paragraph 16.1 of the Rules. The Panel accepts the submissions by the parties that the balance of the decision should not be published
